The Venison Feeding Ministry

Chances are you're not going to bed hungry. The sad thing is one in five children in America goes to bed with a hungry belly every night. Even mildly undernourished children may suffer abnormal physical, emotional and spiritual damage. The impact of childhood hunger can be lifelong!

**By donating below you will get great hunting gear and feed the hungry!**

## FHFH DONATION FORM

**YES!** I want to join hunters all over North America by helping supply venison and other big game to hungry fellow Americans.
